I AIR INTERNATIONAL OPEN OF ANDORRA 2024

The Club Andorrà de Tir de Precisió (CATP) invites you to the new **I Open International Aire D'Andorra**, in pistol and carbine modes and in all categories, heir to the Tirada De Festa Major that was held successfully for many years.

The competitions will take place at the usual Club Andorrà de Tir de Precisió, downstairs at the Poliesportiu dels Serradells, but in a renovated and updated gallery with SIUS ASCOR electronic targets.

The CATP was created in 1985 and currently the modalities of carbine and air pistol, central fire, standard pistol, free carbine and I.P.S.C. are practiced with a complete annual calendar. The CATP is very near to the capital Andorra la Vella, in the heart of the Principality of Andorra, where you can find many shops, restaurants and hotels of international prestige.
